Building Trails... Building Connections

Government Island

Stafford

1.5 mile loop / dirt surface

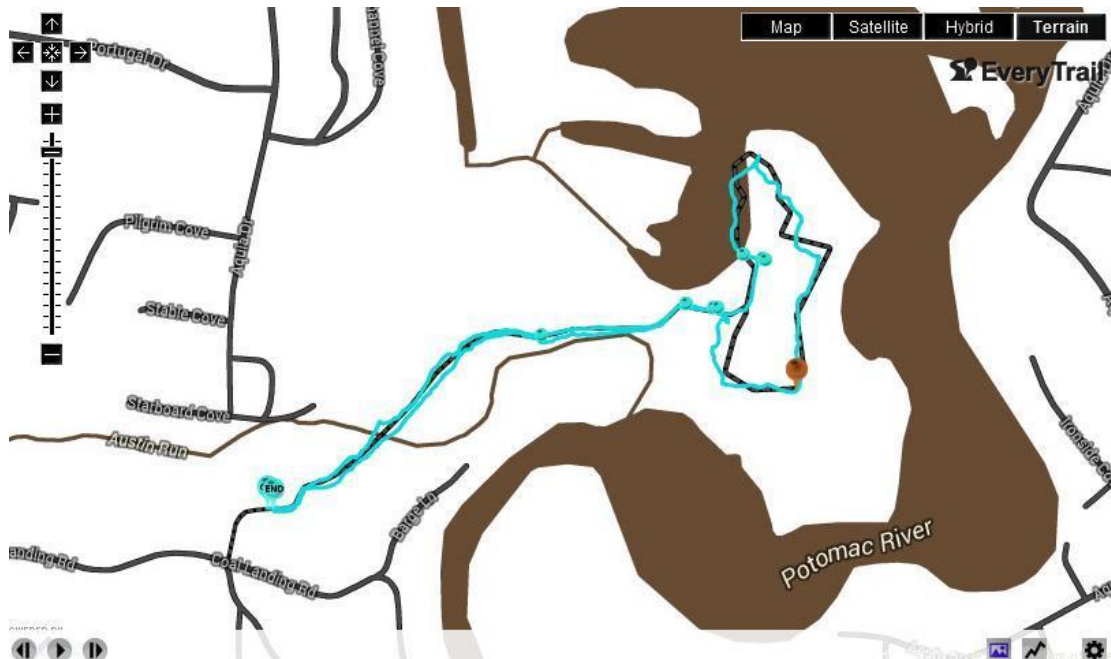

Walk

Trail Head(s)

191 Coal Landing Rd.
Stafford, VA 22554

Map:

Notes:

Government Island is a scenic heritage trail, and also on the National Register of Historic Places and the Virginia Landmarks Register.

Government Island is an historic 18th and 19th century quarry site that provided Aquia sandstone for the construction of the White House and the U.S. Capitol building.
